WORK HISTORY

Freelancer in Fiverr (2020 > Present)

*I am Misbah Uddin a web designer. I always wanted a job which has
freedom. So I choose Freelancing. From 2020 I am learning Web
Designing from a government project. And I was created a profile in
Fiverr. And I started working in Fiverr marketplace.*

EXPERIENCE

Web Designer (2019 >----)

*I have started web designing in 2019. Started with HTML5, CSS3 and
Bootstrap. Then in 2020 I completed a 50 days course from a
government project named LEDP on Web Designing And
Development. After the course my skill was improved as well as my
confidence. I am still learning web designing. Now I am in
Javascript. I want to be a Full Stack Web Developer in my future. My
dream is build an IT-Farm in my own district Lakshmipur. Pray for
me.*

EDUCATION

Toomchar Islamia Kamil Madrasah (2014 > present)

I completed my SSC exam from this institution.

Hazirhat Hamedia Fazil Madrasah (2009 > 2013)

It is my first School. I completed my primary education from this.
